“Helping kids succeed...one scholarship at a time.”

The Elite Basketball Family, INC is a group of select travel teams located in states around the southeastern region. The Family serves as the non-profit arm of Peach State Basketball, INC. The Elite Basketball Family members have the chance to take advantage of Peach State Basketball’s success with over 200 event participants currently playing in college. We have over 150 young ladies that have the chance to play in top tournaments around the region and throughout America. We are asking for your support in helping these young ladies reach their goal of playing in college. The Elite Basketball Family, INC is a 501 © (3) non-profit organization and all donations are tax-deductible. Your contribution will help support travel, uniforms, and expenses needed to provide opportunities for our youth. Our 501 © (3) number will be sent to you with your receipt.
